

**COMMUNITY UPDATE: Hurricane Ian**

**September 27, 2022**

Dear CSWR-Florida customer:

We are monitoring Hurricane Ian and have been preparing for landfall. We will work to minimize any disruption of service to you. Our customer support line is available 24/7 for emergencies at 855-476-1942, and as soon as conditions permit, we will post door hangers to communicate any Boil Water Advisories and Service Interruptions. We will also keep our Advisories updated with all relevant information so if and when you are able, please check our Advisories.
