PART ONE**STATEMENT OF CHARGES
WASTEWATER SERVICE**

F.	Deferred Payment (Per month)	1.5%
G.	Late Payment (Per month)	1.5% ^{4 5}
H.	Main Extension and Additional Facilities Agreements	Note ⁶

⁴ This charge shall not apply if the customer has arranged for a Deferred Payment Plan.

⁵ Bills for utility services are due and payable when rendered. Any payment not received within fifteen (15) days from the date the bill was rendered shall be considered delinquent and subject to the termination policy set forth in the Company's rate tariff. All Late Payment Charges shall be billed on the customer's next regularly scheduled billing. If the customer fails to pay the Late Payment Charge by the due date on the next billing, the customer will receive a ten (10) day termination notice. If the customer does not pay the Late Payment Charges by that date the service will be terminated. Service shall be terminated only for that service for which the customer is delinquent or is in violation of other Tariff or Rule provisions. All customers whose service is terminated for failure to pay the Late Payment Charges are subject to the Company's reconnection charges set forth in the Company's tariff.

⁶ Cost to include parts and labor, overhead and all applicable taxes, including income taxes if applicable. All Main Extensions shall be completed at cost per Sheet No. 5 and shall be refundable Advances-in-Aid-of-Construction.

PART ONE

STATEMENT OF CHARGES
WASTEWATER SERVICE

IV. PERMITTED COSTS

- A. Costs shall be verified by invoice.
- B. For services that are provided by the Company at cost, cost shall include equipment, labor, materials, other charges incurred, and overhead. However, prior to any such service being provided, the estimated cost of such service will be provided by the Company to the customer. After review of the cost estimate, the customer will pay the amount of the estimated cost to the Company.
- C. In the event that the actual cost is less than the estimated cost, the Company will refund the excess to the customer within 30 days after completion of the provision of the service or after Company's receipt of invoices, timesheets or other related documents, whichever is later.
- D. In the event the actual cost is more than the estimated cost, the Company will bill the customer for the amount due within 30 days after completion of the invoices, timesheets or other related documents, whichever is later. The amount so billed will be due and payable 30 days after the invoice date.
- E. At the customer's request, the Company shall make available to the customer all invoices, timesheets or related documents that support the cost for providing such service.
- F. Permitted costs shall include any Federal, State or local taxes that are or may be payable by the Company as a result of any tariff or contract for wastewater facilities under which the Customer advances or contributes funds or facilities to the Company.

PART TWO

**STATEMENT OF TERMS AND CONDITIONS
WASTEWATER SERVICE**

I. CUSTOMER DISCHARGE TO SYSTEM

A. Service Subject to Regulation

The Company provides wastewater service using treatment and collection facilities that are regulated by numerous county, state and federal Statutes and Regulations. Those Regulations include limitations as to domestic strength wastewater and the type of wastewater that may be discharged into the system by any person directly or indirectly connected to the plant.

B. Waste Limitations

The Company has established the permissible limits of concentration as domestic strength wastewater and will limit concentration for various specific substances, materials, waters, or wastes that can be accepted in the sewer system, and to specify those substances, materials, waters, or wastes that are prohibited from entering the sewer system. Each permissible limit so established shall be placed on file in the business office of the Company, with a copy filed with the Commission. No person shall discharge, or cause to be discharged, any new sources of inflow including, but not limited to, storm water, surface water, groundwater, roof runoffs, subsurface drainage, cooling water, or polluted industrial process waters into the sanitary sewer. The Company will require an affidavit from all commercial and industrial customers, and their professional engineer, stating that the wastewater discharged to the system does not exceed domestic strength.

PART TWO**STATEMENT OF TERMS AND CONDITIONS
WASTEWATER SERVICE****C. Inspection and Right of Entry**

Every facility that is involved directly or indirectly with the discharge of wastewater to the Treatment Plant may be inspected by the Company as it deems necessary. These facilities shall include but not be limited to sewers; sewage pumping plants; all processes; devices and connection sewers; and all similar sewerage facilities. Inspections may be made to determine that such facilities are maintained and operated properly and are adequate to meet the provisions of these rules. Inspections may include the collection of samples. Authorized personnel of the Company shall be provided immediate access to all of the above facilities or to other facilities directly or indirectly connected to the Treatment Plant at all reasonable times including those occasioned by emergency conditions. Any permanent or temporary obstruction to easy access to the user's facility to be inspected shall promptly be removed by the facility user or owner at the written or verbal request of the Company and shall not be replaced. No person shall interfere with, delay, resist or refuse entrance to an authorized Company representative attempting to inspect any facility involved directly or indirectly with a discharge of wastewater to the Treatment Plant. Adequate identification shall be provided by the Company for all inspectors and other authorized personnel and these persons shall identify themselves when entering any property for inspection purposes or when inspecting the work of any contractor.

All transient motor homes, travel trailers and other units containing holding tanks must arrive at the Company's service area in an empty condition. Inspection will

be required of said units prior to their being allowed to hookup to the wastewater system.

D. Termination of Water Service for Violation of Wastewater Rules and Regulations

The Company is authorized to discontinue water service to any person connected to both its water and sewer systems who violates the Company's wastewater terms and conditions as set forth in this PART TWO or in any way creates a public health hazard or the likelihood of such a public health hazard. This termination authority does not apply to non-payment for wastewater services.
