

CONTINUING TO INVEST IN OUR CUSTOMERS TODAY AND IN THE FUTURE

\$9.5 MILLION INVESTED IN TENNESSEE COMMUNITIES

After investing approximately **\$9.5 million** in infrastructure improvements critical to the health and well-being of communities across the state, rates for Limestone water and wastewater customers are changing.

RESTORING SYSTEMS ACROSS THE STATE

The rate changes reflect the investments we make to continue providing safe and reliable water and wastewater services. We have implemented this rate change so we are able to continue properly maintaining and upgrading our systems to provide safe, clean, and reliable service to residents and businesses in the communities we serve.

RESTORING SYSTEMS ACROSS THE STATE

These rate changes went into effect May 1, 2025, and are reflected on your current statement. To view the new rate schedule, please visit our website under “Regulatory Information” and click on “Rate Schedule” at limestonewateruoc.com.
