

## RATE ADJUSTMENT NOTICE

### Our Commitment to You

CSWR-Texas continues to work closely with the Public Utility Commission of Texas (PUCT) to ensure rates remain fair and reasonable - while continuing to provide safe, high-quality service to all our customers across the state.

### What's Changing

**The rate changes** reflected in your billing statement *also* reflect our ongoing commitment to the communities we serve across the state. The adjustments as proposed in Docket No. 57386 are temporary, subject to final order by the PUCT.
