

Traffic Control Notes

- Close one lane at subdivision opening at Northridge Dr.
- Residents are encouraged to use the alternate subdivision entrance during operations.
- Traffic on the main road would be free flowing in both directions
- Emergency vehicle access shall be maintained at all times.

TEMPORARY TRAFFIC CONTROL PLAN (TCP)

Project: Lake Village / Windance Water System Interconnect
Reference: Water Layout – Sheet C3.1
Location: Windance Dr. / Northridge Dr. Entrance (Additional Directional Bore)
