Public Notice

## Mandatory Language for Monitoring and Reporting Violation
## Failure to Submit a Disinfectant Level Quarterly Operating Report (DLQOR)

The Texas Commission on Environmental Quality (TCEQ) has notified the **Big Wood Springs PWS ID TX2500019** public water system that the system has violated the monitoring and reporting requirements set by Texas Commission on Environmental Quality (TCEQ) in Title 30, Texas Administrative Code (30 TAC), Section 290, Subchapter F. Public water systems are required to properly disinfect water before distribution, maintain acceptable disinfection residuals within the distribution system, monitor the disinfectant residual at various locations throughout the distribution system, and report the results of that monitoring to the TCEQ on a quarterly basis.

Results of regular monitoring are an indicator of whether or not your drinking water is safe from microbial contamination.

**Type of violation:** DLQOR

**This violation(s) occurred in the monitoring period(s)**: 4th Quarter of 2020

**We are taking the following actions to address this issue**: We provided our DLQOR to TCEQ in a timely manner as requested and the violation was returned to compliance as of 04/13/2021.

*Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (i.e., people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.*
